

FreshRealm, LLC 476 East Main St. Ventura, California 93001

FRESHREALM FRONT END DEVELOPER

April 24, 2015 • FreshRealm.co

FreshRealm is:

FreshRealm is a fresh food delivery platform, connecting food makers, packers and shoppers through innovative cloud-based technology. This evolution is made possible by temperature-controlled reusable shipping Vessels and a B2B2C cloud-based technology platform. The result is faster distribution, fewer preservatives, reduced food waste, and nation-wide eradication of fresh food deserts.

Job Requirements:

- Implement and be passionate about web animation & typography.
- Expertly code responsive websites.
- Optimize performance of page loads and web animation, on desktop and mobile.
- Have talent and dedication for creating stunning visuals in front end.
- Expert use of HTML5/CSS3 and Javascript.
- Experience debugging for a range of browsers.
- Strong team player & have strong attention to detail.

Bonus-Extra-Credit-Brownie-Magic Points if You:

- have extra design skills:
 - Motion graphics and/or animation
 - 3D Modeling
 - UX/UI Design
- have extra development skills:

WebGL	Angular	PHP
D3.JS	Less	Yii Framework
	Bootstrap	MySQL
- _____.
(Tell us what gives you extra magic.)

Experience:

- Degree from a 4 year accredited university (or equivalent expertise) in relevant field.
- 2 years of professional experience.

What's in it for you:

- Awesome comprehensive benefits
- Competitive base salary
- You get to be a part of a company that improves people's lives
- Work with a management team that has a broad range of industry, tech, and project management skills
- Office located in beautiful, downtown Ventura, California... just a few blocks from the beach
- Diverse office culture events, such as: Friday gratitude meetings, daily mindfulness, community pier walks, and more

The right person will have a strong drive to succeed, and feel called to accomplish something special in his or her life. Expect an exciting, fast-paced and rewarding work environment as part of a small, uniquely talented team of superstars.

If you want to work as one of many in a large, well-established company, then FreshRealm is not the place for you. However, if you are looking for a challenging, fun environment while being well-rewarded and doing good for the world, please consider investing 30 minutes of your time to speak with our hiring manager.

We might just change your life!

To apply, please email the following items to Jody Skenderian, jody@freshrealm.co:

1. A link to your work
2. Your resume
3. A concise explanation of why you're the right person for this job
